standUP

Brand your company as a leader. standUP will help your staff to adopt a healthier lifestyle while paying you back by being more healthy and productive.

- ✓ Fully assembled... mechanism securely attaches without additional parts.
- ✓ Innovative brackets create a safe one inch space between the now Height Adjustable Worksurface and the adjoining Desk components.
- ✓ Infinite height adjustment throughout its 19" vertical range.
- ✓ **The Greenest Choice** - made of green materials and doesn't use nor consume electricity.
- ✓ Desk Mounted Devices consume the user's worksurface. standUP mechanisms leave the worksurface clear for other paperwork.
- ✓ With standUP mechanisms, your paperwork is always at the proper ergonomic viewing level: seated or standing; unlike Desk Mounted Devices where reference materials often stay at desk levels.
- ✓ Fully ANSI/BIFMA certified and patented.
