CONVERT

**Panel Systems
Into**

“SIT/STAND WORKSTATIONS”

standUP

Brand your company as a leader. standUP will help your staff to adopt a healthier lifestyle while paying you back by being more healthy and productive.

- ✓ **Economical** - Securely attaches to your existing panel system without additional parts.
- ✓ **Universal** - Attaches to all major Panel Systems.
 - Supports worksurfaces 36"-72" Wide X 24"-30" Deep.
- ✓ **The Greenest Choice** - Made of green materials.
 - Doesn't use nor consume electricity.
- ✓ **Faster** - Raises the worksurface 19" in less than 2 seconds.
- ✓ **Safer** - Mechanisms lock into the keyslot and stay a safe one inch from adjacent furniture.
- ✓ **More Leg Room** - Not sitting on the floor frees up leg room.
- ✓ **Stable** - Mechanisms are robust and stable when fully extended.
